Orange Hunt Pool to offer Scuba Certification Course!

In 2012 Orange Hunt pool, in cooperation with Woodbridge Scuba, will offer a scuba certification course for pool members! Orange Hunt's own Bill Chadwell will be the primary instructor for this course.

The course will take place at Orange Hunt pool the last two weeks of June and will be conducted over a period of six nights from 6:00-9:00 PM. It will include six classroom sessions, a snorkeling class, one in-water class in the shallow end of the pool, and four classes in the diving well. It will also include five open-water certification dives over the course of two days at Millbrook Quarry, northern Virginia's premier destination dive spot. At the conclusion of the course, you will receive certification as an SSI (Scuba Schools International) Open Water Scuba Diver and have the necessary skills and knowledge to safely make scuba dives without an instructor's supervision.

Why scuba diving? Diving allows you to discover a new world accessible only to divers! Enjoy the freedom of gliding through the blue! Experience new adventures and explore undiscovered worlds. Make new friends! Scuba Diving is much easier than you might think. Be ready to enjoy a new challenge and dive into a new world. Scuba diving is an exciting sport that offers everything from heart-pumping action to quiet relaxation.

We are still working out the specifics with Woodbridge Scuba, but will be providing more detailed information in the Spring. Space will be limited, so sign up quickly if you are interested!

Some of the activities you can enjoy as a diver include exploring historic shipwrecks, such as the U-352 seen in this photo.
